Monday's meeting of the St. Albert Town Council was a long and busy one. Prominent in the items dealt with were:

Park Areas An area at the west end of Balmoral Drive, next to the Machine Shop is to be made into a park playground. This particular site was selected because its shape is not well suited to residential building. It should serve as a wonderful place for a children's playground. In fact, merely as a vacant space, it has been frequented by youngsters all summer. Council also decided to negotiate with the owners, Mr. & Mrs. P. Upright, for a lease on property owned by them, part of which has been used for storage by Ross Trucking Co. This land also would be used as a park. Lease of this property will solve problems which have arisen in the past regarding use of this land.

The Town assumed responsibility for draining the Wading Pool in the Lions Park for the season. It was recommended that next year some kind of supervision should be arranged for this pool.

RCMP Report The monthly report submitted by Cpl. W. Sayko was quite encouraging. A good laugh was enjoyed by all present when the Cpl. somewhat ruefully revealed that a book of traffic tickets had been mislaid. The Case of the Missing Tickets has caused considerable confusion in Police Records, and possibly some joy on the part of those whose names are written therein! In a later item of business, Council decided to enter into a new contract with the RCMP to provide a fourth member of the St. Albert Detachment. The Secretary was instructed to proceed with this.

Editorial WJN.

WHAT'S IN A NAME?

Councillor DeBruin made it quite clear at different times in the last Council Meeting that the Town of St. Albert needs a manager as soon as possible. He informed the Council that work of the management committee, of which he is the Chairman, piles up, and for a man who must conduct his own business as well, it is absolutely impossible to attend more than seven meetings per month (not including Sunday meetings). He also informed the Council that after October 1st, he will not be able to continue the chairmanship of this committee. The Council was visibly impressed and proceeded energetically into a meeting as committee of the whole, at the hour of 12:15 a.m., when most of our citizens have already been enjoying the "sleep of the Just" for an hour. Around thirty applications for the position of Town Manager have been received, from which five were selected for further consideration. We hope that our Council will soon surprise us with the announcement of the appointment of a new Town Manager, which will at least solve the problem of giving our Councillors a normal opportunity to fulfil the task for which they were elected. During this discussion regarding a new Manager, it was mentioned that it would perhaps be preferable to change the name "Town Manager" to some other title. The reason for this was not quite clear, but we cannot see why Council should change this name. It is very commonly used by many town administrations. Everybody knows what it means, and why should St. Albert be an exception and follow into a narrow-minded way of thinking? This is not the time to start any discussions regarding a name, at the moment we need full concentration on so many important matters with which Council is faced.

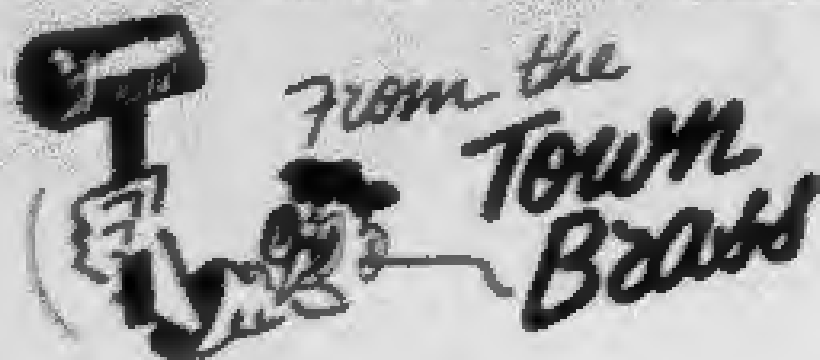

SWIMMING POOL

Next week we hope to give you more details and suggestions regarding a swimming pool. At the moment, we have the impression that the building of a swimming pool does not depend only on the taxpayers, who have to express themselves as to their willingness to pay for it, but also a suitable recreation area has to be found before the building of a year-round swimming pool can be undertaken. We do not see why a swimming pool (Physical Education) has to wait for a main recreation area for which at least 25 acres is required. Such an area has to be bought by the town, which would unnecessarily increase the total cost of the pool project. The Town already owns different small parcels of land (3 to 5 acres) which would do just as well for a swimming pool and where, around such a pool, a small park could be made, with wading pools and sun bathing area. Swimming is not only recreation for the pleasure of the citizens of St. Albert, but should be a permanent part of the physical education program for all the schools, and possibly also for the schools in the surrounding area. We have to be careful not to see a swimming pool as only one of the numerous facets of a recreational program. We would like to prevent, for all our St. Albert children and adults in the future, the unnecessary fear of swimming in our lakes, which means that such a pool, as an educational facility, should have a much higher priority than any other recreational project. We hope that our Council can find a way or ways to bring, in the near future, a money bylaw covering the costs of building a swimming pool on land that is already owned by the Town. Deliberately, we have only talked about the building of a pool. We would like to bring in our next issue, some suggestions regarding the operational costs of such a pool, which in our minds, might not be as pessimistic as was reported to Council by our temporary recreational director some weeks ago.

YES! IT'S THE TALK OF THE TOWN!

St. Albert Family Recreation Interest Survey

see page 4

continued from page 1

Building Permits continue to rise Total number of residential building permits issued in St. Albert for 1961, a record year, was 276. In the first 8 months of 1962, a total of 310 building permits for homes have been taken out - and we thought we grew fast last year!

Curling Rink The Managerial Committee report recommended that a special meeting of Council be called, to discuss the Curling Club. This was concurred in and this meeting will be held on Friday evening, September 14th at 9:00 p.m. Members of the Executive of the Curling Club and the Town's Solicitor will be present with the expectation of drawing up the agreement between the Town of St. Albert and the St. Albert Curling Club. (This is a public meeting to which all citizens are welcome.)

Engineered Homes The Town finalized an agreement with Engineered Homes giving them permission to build in Grandin Park stage six, with an option on stages seven and eight. After some discussion, the request of this company for options for development of Stage four of Sturgeon Heights, was referred to Mr. Billings the Secretary Treasurer, for further information and report.

Weber Brothers In accordance with a report by the Technical Advisory Committee, chaired by Councillor S. Montpetit, Council agreed to enter into an agreement with Weber Brothers to survey a piece of land located south of the Town Hall and South West of the United Church, as a residential area for around twelve lots. The Committee will contact several property owners in this area regarding cost of such survey, as Council was of the opinion that the whole area should be surveyed at the same time and save on the ultimate cost.

October 17 Elections Mrs. Van Tigen was appointed Returning Officer for October 17th's Municipal Elections, with Mrs. J. Doshie, Mrs. L. Schultz and Mr. John LeGle Jr., Deputy Returning Officers for three polls to be located as in June. They will be for Sturgeon Heights in the Vital Grandin School, for Mission Park and Branside in the Community Hall, and for Grandin Park in the Sir George Simpson School.

Building Inspector Appointed

Mr. James Roberts was officially appointed Building Inspector. He has been acting in that capacity for some time.

Engineers Appointed Messrs. Walker and Newby, consulting engineers for the Town were named Town Engineers on a temporary

basis. Replacement of the Town Engineers, made necessary by the resignation of Mr. Kahling, was tabled until the next regular meeting.

Appointment of a New Manager A special meeting of Council in Committee was proposed to be held at the end of the regular meeting to discuss applications received for the position of Town Manager. Some Councillors expressed the feeling that the title of the position should be altered.

Business Licenses and Taxes Licenses for businesses operated from homes were discussed. Council will consider a Business License Act which will be placed on the agenda when information is complete.

Copies of Agenda for Press A copy of the evening's Agenda will be placed in the hands of each member of the press immediately prior to the meeting.

(Editor's Note: This is a first step on the "long, long trail a-winding to the land of our dreams")

At 12:15 a.m. (very early in the morning Council adjourned the regular meeting and entered sessions as a Committee of the whole, during which time they were to discuss some five selected applications for the position of Town Manager from the thirty or so received.

GROUP COMMITTEE PLANS

ANNUAL MEET.

The annual meeting of the Second St. Albert Group Committee for Scouts and Cubs will be held in the Sir Alexander Mackenzie School at 7:30 p.m. on Wednesday, September 19th. Annual reports will be received and election of officers for the Group Committee for the 1962-63 season will be held. All parents of Scouts and Cubs attending second St. Albert Troops and Packs are asked to attend, as registration of boys will be taken at this meeting. Facilities are crowded and there has been a waiting list, so parents are urged to take advantage of this opportunity so that the group committee can have a chance to make the best arrangements possible.

Both the Sir Alexander Mackenzie and the Sir George Simpson School gymnasiums have been booked for Scout and Cub activities each Monday and Wednesday evening from 5:30 to 8:00 p.m. It is expected that Scouts will meet at both places on Mondays and Cubs on Wednesdays. With the opening of an additional troop and pack more leaders are urgently needed. Volunteers, particularly those with previous Scouter experience, are asked to get in.

ST. ALBERT LIONS CLUB

Last week's meeting of the St. Albert Lions Club saw the already busy members volunteering for various types of community effort. Members are assisting in the pre-registration survey on behalf of the Mobile Tuberculosis Clinic. The Club has produced a substantial number of volunteers to take part in the house-to-house Family Interest Survey by the Recreational Steering Committee, and the Club is sponsoring a Red Cross Blood Donor Clinic in the near future. Chairman of the committee arranging for the Blood Donor Clinic is Mr. Gordon A. Parkes. Mr. R. H. Parkes is one of the Zone Chairman for the X-ray clinic, while Mr. Mac Scott is chairman of the group of Lions helping with the Recreational Survey. Any Lion missed by one of these three must be a very quiet Lion indeed! President Doctor W.D. Cuts announced the appointment of Lion George Willis as chairman of the attendance Committee, Roy Gilley as Program Chairman and Bill Blackie as Membership Chairman. Lions Tim Dobbie, Gordon Parkes, Ivan Brewster and Dick Kehling are the members of the Lions Park Committee. This committee has

done a great deal this summer toward making the Lions Park a useful recreational centre, particularly for the youngest citizens.

COMMUNITY LEAGUE

The Board of Directors of the St. Albert Community League deliberated late into the night Monday evening dealing with the various problems arising out of the commencement of the fall and winter season. The Board was honoured to receive several visitors during the evening; Mr. Rene Kambourff represented the Minor Athletic Association in a discussion of joint sports problems; Mr. Royden Roberts attended on behalf of the Senior Hockey Team; Mr. Alcide Desguire presented his ideas for a Square Dance Club and a committee was formed to look into the matter. Mr. Gaby Mass (Mr. Polka to many), of radio and TV attended at the Board's invitation. It was decided, following discussion with him that the Community League would commence dances in the Hall every Friday evening from 10:00 p.m. to 2:00 a.m. starting with the first Friday in October, to the music of Gaby and his Band. Arrangements have been completed to start the weekly Cash Bingo Games every Wednesday evening at 8:00 p.m. commencing September 26th in the Community Hall, on a partnership basis with the St. Albert Branch of the Royal Canadian Legion, chairman in charge, Mr. Ivan Brewster.

Other coming events being planned are a Pot Luck Supper to take place near the end of September, the date to be announced; a Halloween Masquerade on October 31st; a Hard-time Dance in November, the date to be announced; a Fashion Show during the first week of December featuring Christmas Gifts and a New Year's Eve Dance and Social. They are being planned by the ladies on the Board; Mrs. W. W. Fraser, Mrs. Betty Briggs and Miss Ann Marie Blair.

Mr. Lisle Randall is working on a revision of the constitution of the League. Mrs. Briggs reports that the St. Albert on Sturgeon Players will present two productions in the coming season. Miss Blair reported that the St. Albert

Orioles have practices under way again every Sunday. Mr. George Walker will be completing arrangements with the Arts and Crafts Guild for the installation of their equipment in the room provided in the Hall basement.

THESE AND OTHER NEW PLANS WILL BE ANNOUNCED AND DISCUSSED AT THE GENERAL MEETING NEXT MONDAY, SEPTEMBER 17th. THE BOARD URGES ALL MEMBERS AND ALL OTHERS INTERESTED TO ATTEND THIS MEETING.

NEW PLAY CASTED

The St. Albert on Sturgeon Players held their readings last Tuesday and Wednesday for their new play "Papa is All", which is to be directed by Frank Glenfield and presented sometime in November. The cast will consist of: Carlee Adams, Gordon Tandrup and Joe Wailhein, all new members, and Dolores Knill, Marcia Scammell and Doug Ingle who have been seen in previous plays in St. Albert.

**LOCAL SINGER ON
TELEVISION**

A number of us had the opportunity this summer to hear Mrs. Sadie Waunch, when she sang on CFRN TV's Noon Show. Very recently, in answer to numerous requests she appeared again, on the Supper Show, when she sang "Be My Life's Companion". Mrs. Waunch was a professional entertainer in her native Scotland, where she was a singer and dancer with a troupe. She was one of the winning participants in Calgary Power's "Discovery" program on CFRN radio some years ago, but family cares prevented her from following it up at that time. We all hope to hear her on CFRN TV and elsewhere again in the very near future.

An Important Message

Next week there will be a volunteer worker calling at your home to fill out, with your co-operation, a Recreation Interest form. The results of this survey will have an important bearing on what direction a Recreation program will follow in St. Albert. The Councillors and I feel that a versatile recreation program is very vital in the healthy development of our town. With this thought in mind, we hope that you will co-operate fully and thus help make this survey a worthwhile and meaningful undertaking.

W.J. Veress
Mayor.

Progress Report on Recreational Survey

Thirty-two group captains and one hundred and fifty volunteer canvassers are taking part in training sessions in preparations for the Family Interest Survey to be held in St. Albert and District starting on September 17th. At that time, armed with carefully compiled questionnaire forms, they hope to call at every home in St. Albert. Much of the calling will be done in the evening when most members of the family will be at home, so that everyone's opinions, not just "Mom's" may be ascertained. Messrs. B. Ford and George Walker are the members of the Personnel division of the Recreational Steering Committee, who are devoting themselves to assembling and training the corps of captains and volunteers. Large as the group is, it cannot hope to call on residents of the district surrounding the town of St. Albert. They are urged to participate also, and they will find the doors of the St. Albert Community Hall open at 10:00 a.m. to 9 p.m., from September 17th on, to enable them to come in and register their opinions and preferences. A phone has been installed for the use of the survey, number 599-7529. Residents of the district and anyone missed by the canvassers are asked to make use of the Community Hall facilities to make sure they are included. Mr. W. Penrose, Steering Committee Chairman, requests the fullest co-operation of every citizen of town and district to make the survey 100% effective.

Once the forms are all completed and returned to the committee, a careful and elaborate system of tabulation has been devised. Members of the Mechanics Committee have been working on this, and committee members spent a most profitable time with members of the committee who conducted a similar and most successful

Recreational Survey continued from page 4

Full survey in Leduc last fall. The local workers hope to profit from the experience of the Leduc committee, and even in some cases, from their mistakes. As soon as they are tabulated, the results of the survey will be incorporated with those of surveys of recreational facilities and present recreational activities which were made by Mr. Lorne Wood, Recreational Director, this summer. They will then be presented to the St. Albert Town Council for its guidance in formulating a Recreational Policy. The value of the survey will not end there. The tabulation will be done in such a way that the information gathered can be conveyed to groups or organizations interested in any particular aspect of recreational activity. They can determine almost at a glance, exactly who, among the town's residents, are interested in any field of recreation, whether it be sports, handicraft, cultural activity, or "what have you". As members of the committee have pointed out, such a survey is only as valuable as the use made of it, and this survey is planned to have dual value, first in compiling the report for which it was originally set up and second, for furnishing valuable information. The complete results of the survey are to be made public for the information of all residents of town and district.

Every member of the committee seems filled with enthusiasm, which they hope can be communicated to all residents. The Town Council has made it quite clear that it cannot act in the matter of providing recreational facilities or staff without a clear-cut indication from the citizens, of exactly what they want and are prepared to pay for. The prime purpose of the survey is to provide this information.

=====

GIRL GUIDES

=====

The First St. Albert Girl Guide Company will meet on Monday, September 17th in the St. Albert United Church from 7:00 to 8:30 p.m., under the leadership of Captain Mrs. J. Chinko and Lieutenant

Mrs. W. D. Cuts. A cordial welcome is extended to new members who would like to attend.

1700 ATTEND ST. ALBERT SCHOOLS

=====

Now that the tumult and the shouting has
died away, and the horde of children
have again entered the hallowed portals
of their various schools, one fact em-
erges - St. Albert has grown! Last
year, about 1300 youngsters entered the
three school systems here, this year the
total exceeds 1700, with a number of de-
layed registrations expected as new cit-

izens move into homes almost complete.
A breakdown of the figures shows, for
September 1961 figures in brackets: St.
Albert Public School District Number
High School: 14 (130), Junior High
(109) and Elementary 48 (370), St. Al-
bert Protestant Separate School District
Number 6: Sir Alexander Mackenzie School,
grades 1 - 11: 361 (342), Sir George
Simpson School, grades 1 - 8: 362 (14
and the County of Sturgeon, Mission P-
School 200 (199), in grades 1 - 9. In
addition, there are 66 children atten-
ing kindergarten classes in the Macken-
zie and Simpson Schools. This fall,
new wing containing class rooms, lib-
science rooms and other facilities and
a large gymnasium, has been put into
service at the Sir George Simpson School
and a grade eleven class has been added
to the Separate School program at the
Sir Alexander Mackenzie School. Grad
12 students from the Separate system
for the most part, attend the St. Al-
bert High School of S.D. #3, although a few
are registered in city schools. Senior
High School students from the County of
Sturgeon area surrounding St. Albert
also attend the St. Albert High School.
Thirty-five teachers have been engaged
by School District #3, and another thirty-
five by School District #6 to cope
with the increasing numbers of students.

Important General Meeting

For SHAREHOLDERS

ON

TUESDAY SEPTEMBER 18 - 1962 at 8.30 p.m.

Place: St. Albert Curling Rink

All Shareholders are asked to attend this meeting

Birthday Party continued from page 6

less than 40 relatives, from as far away as Vancouver. Her son, Dr. Garnet Badger, his wife and their three sons from Vancouver were there, as well as her two remaining sisters, Mrs. Vera Blackburn of Calgary and Mrs. Myrtle Pearson of Edmonton, and her brother Mr. Ott Leslie also of Edmonton. Nieces and nephews were present from Calgary, Calahad and Edmonton. The youngest grandson present, Douglas Badger, presented "Grandmother" with a lovely corsage on behalf of all the grandchildren. Mr. Stuart McIntosh, newest member of the clan via the matrimonial route, did the honours in giving Mrs. Wilson a beautiful chair from all the members of the family.

The party was held in the Rogers' newly enlarged living room, where the supper table was centred by a large birthday cake, trimmed with a white candle for each ten years of Mrs. Wilson's age, and 6 pink candles for the years in the 70's. A silver bowl of red roses and silver candelabra adorned the table and a profusion of flowers decorated the rest of the big room.

Some of the family assembled there had not seen each other since the end of the World War II, so the affair was a truly happy reunion for everyone there, as well as for the happy recipient of all the good wishes.

WEDDINGS

BONNEVILLE - FLYNN WEDDING

Miss Jean Flynn recently became the

bride of Mr. Albert Bonneville in a double-ring ceremony at St. Albert Roman Catholic Church. Rev. Father Georges Chevrier, OMI, officiated at the ceremony for the daughter of Mr. & Mrs. Jas. Flynn and the son of Mr. & Mrs. Roland Bonneville, all of St. Albert.

Given in marriage by her father, the bride wore a floor length gown of white chiffon over taffeta. The bodice was fashioned with lily point sleeves and a high neckline, accented with pearl sequins. The bouffant skirt was drawn into a half-bow in the back. She chose a bouffant illusion veil, held in place by a small double rose headpiece, and carried a cascade bouquet of red roses. Attending the bride were Miss June Flynn the bride's twin sister and Miss Jeanette Bonneville, cousin of the groom. They wore identical gowns of yellow organza complemented by white accessories. Their headpieces were white seed-pearl tiaras and they carried bouquets of yellow roses trimmed with brown and gold. The groom's sister and brother, Cecile and George, were flower girl and ring bearer. Cecile wore a petite yellow frock with matching head piece and carried a miniature bouquet of yellow roses. The groom was attended by his two brothers, Rene and Leon Bonneville. Guests were ushered by Mr. Allen Maloney and Mr. Roland Burton. Wedding music was played by Rev. Sister St. Joseph and Mrs. L. Gibeau was soloist.

Mr. Gerald Vague was Master of Ceremonies at a reception in the Club Mocombo, where Mr. Fred Parrent proposed the toast to the bride.

For her going-away costume the bride chose a three piece knitted coral ensemble with white accessories. On their return the couple will live on the St. Albert Trail.

JUNE SERNOWSKI, ELMER WARWA EXCHANGE WEDDING VOWS AND RINGS

St. Josaphat's Cathedral was the setting for the recent ceremony at which Miss June Sernowski, daughter of Mr. & Mrs. Pete Sernowski of St. Albert, became the bride of Mr. Elmer Warwa, son of Mr. & Mrs. Sidor Warwa of Edmonton.

Rev. Magr. Nick Babak, of Stamford, Conn U.S.A., cousin of the bride, and assisted by Rev. Fr. Creschuk of Edmonton, officiated at the double ring ceremony in the church which was decorated with baskets of pink and white peonies. During the ceremony, sacred wedding music was sung by St. Josaphat's all male choir.

The bride was given in marriage by her father. She chose a floor length gown of white peau de soie. The fitted bodice was fashioned with lily point sleeves and scooped neckline. The controlled shape skirt was highlighted with fantastically lace appliques and crystal bands. A crystal crown held the bride's tiered veil, and she carried a white Bible pouched with a white orchid with ribbon streamers and stephanotis.

Attending the bride were Mrs. Darlene Friedl of Vancouver, Alice Marles and Amelia Warwa of Edmonton. They wore identical floor length gowns in a shade of deep mauve peau de soie. Bow bandeaux in matching colors complemented their gowns. They carried pink carnations.

Flower girls Marianne Warwa and Cindy Ruzycki, nieces of the groom, wore similar floor length gowns and carried baskets of pink carnations.

Messrs. Edward Petrie, Richard MacLellan and Marvin Sharon attended the groom. Ushers were Messrs. Victor Sernowski, Roy Warwa.

The bride's mother chose beige peau de soie with a lace bodice, accessories to match, and a corsage of red roses. The groom's mother wore beige organza over print, with beige accessories and a corsage of Talisman roses.

Following the ceremony, a reception and dance were held at the New Polish Hall. The head table was centered by a round, four tiered wedding cake.

Master of ceremonies was Mr. Ted Babie. Mr. Ed Petriw proposed the toast.

For her honeymoon to Penticton and the Western States, the bride chose white brocaded sheath with a duster to match. Black patent accessories complemented her ensemble. She wore a single strand pearls and drop earrings, a gift of the groom, and a white orchid corsage.

BRITISH DR. PROPOSES 6-DAY WEEK FOR MOTHERS.

LONDON: A doctor here called recently for a six-day week for mothers, asking

fathers to give their wives a break and take over the children on a Saturday or Sunday.

Dr. Dick Glover, a father of three children wrote in the medical journal "Family Doctor:" "It is only fair that all husbands should realize how much work their long-suffering wives have to do in a normal day—eternally answering questions, changing diapers, preparing meals and washing dishes, clearing toys and taking the children shopping. The greatest treat a mother could have would be one occasional complete day of freedom."

by A. P. Brunner

Christenings:

Baptised on August 19th were:

Alexander Thomas, son of Mr. & Mrs. Maurice Hermery, who was born on August 9th, and whose godparents are David and Jean MacKenzie.

Dona Rodney Allen, son of Mr. & Mrs. Rodney Kluthe, who was born on July 22, and whose godparents are Mr. & Mrs. Camille Charest.

On August 26th were baptised:

Liane Marie, daughter of Mr. & Mrs. Rudolph Scheibelhofer, who was born on August 15th, and whose godparents are Mr. & Mrs. Arnold Monzara, and Floyd Patrick, son of Mr. & Mrs. Arnold Monzara, whose godparents are Mr. & Mrs. Rudy Scheibelhofer.

On September 9th, Debra Ann, daughter of Mr. & Mrs. Thomas O'Flaherty was baptised. She was born on August 26th and her godparents are Mr. & Mrs. David Fraser.

MARIAN HOUR HELD ON SEPTEMBER 9TH

Pilgrimage from Holy Rosary Parish: The Parishioners from the Holy Rosary (Polish) Parish in Edmonton, made a pilgrimage to St. Albert to the Blessed Virgin and the tomb of Brother Anthony. Many of these attending, particularly the children who came, wore colorful Polish national dress. It was a beautiful afternoon and the pilgrims made a lovely sight as they moved about the green tree bordered grounds.

ANOTHER QUICK 'N EASY

Here's another quick one, it's a favorite with children, too.

- 1 cup Minute Rice
- 1 tin stewed tomatoes
- 1 package wieners
- 1 cup grated cheese (or cheese slices).

Heat oven to 350°, grease casserole dish. Prepare rice according to directions and pour into casserole. Dot with butter or margerine. Pour heated stewed tomatoes over rice. Lay weiners on top of tomato-rice. Spread cheese on top of weiners. Cover, and place in hot oven, cook about 20 minutes, until weiners are swollen and cheese melted. Remove cover for last 5 minutes. Serve hot and often!

Don't forget, if you have a quick 'n easy recipe, please phone or write me, Mary Usher, 599-6216 or Box 98.

JOANNE'S FASHION

For the first time a variety of fine furs is available for St. Albert customers. Mr. Don Dunwoody, of Dunwoody Furriers, Edmonton, has arranged to have on display at Joanne's Fashions a stock of furs from his own exclusive collection.

Furs available will include jackets and coats in mink trim, mouton, Persian lamb in black, brown and gray, muskrat in mink tones, China mink in various qualities including a stunning dropped-skin model. Jackets to appropriate to early fall are prominent in the display, but there are also full length coats providing a choice for the lady who plans this major addition to her winter wardrobe.

Music Society Plans Concert

The St. Albert Music Society plans its first concert of the 1962-63 season this coming Sunday, the 16th of September, at 2:30 p.m. in the music room of the Vital Grandin School located on Sunset Blvd. Featuring the Edmonton Clarinet Quartet and guitarist Frank Gay. Participants of the quartet are J. Bus, J. Schollmeyer, T. Wenne and G. Vanderhoef. We invite everybody to this pleasant Sunday concert. Admittance is free.

The aim of this society is to promote and sponsor local musical groups and individuals to perform at concerts. Yearly membership cards at \$1.50 are available to anyone interested, through the secretary Miss Marie Wolniewicz, phone 599-6938, or at the concert.

We trust that a large audience will attend and enjoy the performance of these skilled players.

For more information, please phone the secretary.

MY VACATION IN HOLLAND

THE NETHERLANDS: A COUNTRY SNATCHED FROM THE SEA, by Beverly Gray

Theoretically, one knows that two-fifths of the Netherland lies below sea level. It is a strange feeling, however, to step off the plane at Amsterdam's Schiphol Airport and realize that the runways are 13 feet lower than the surrounding waters.

There is no better way to sightsee in Amsterdam than from its maze of canals, and the visitor can start right at Schiphol Airport by taking a boat to his hotel. The boat calls at six hotels altogether and the skipper can

make reservations en route by ship-to-shore radio telephone.

During our visit to Amsterdam for the opening of the Amsterdam Hilton Hotel we went by car from the airport -- a 15 minute journey. Later, we boarded one of the long, elegant, glassed-in boats, for a ride over the main canals.

There are flowers everywhere in Amsterdam -- on windowsills, in shop windows, at sidewalk markets, there were even flowers decorating our boat. We slid slowly along between mossy walls and high, narrow houses topped by elaborate gables. Land is scarce in this waterlogged country, houses rise five stories and only one room

*Vacation in Holland
continued from page 10*

The doors are so narrow it is possible to bring large pieces of furniture through them. Each housetop has a beam projecting from it; furniture is hoisted by pulley over the beam, and brought in through the window.

The canals date from the sixteenth and seventeenth centuries, as do many of the old homes and warehouses. All buildings are set on piles. The modern ones are made of concrete instead of wood, but wood or concrete they all have their footings in water.

Our boat just nicely cleared the narrow bridges (there are more than 500 in Amsterdam) and in narrow canals it just nicely cleared the sides. Handicapped, bare-legged youngsters waved at us from bridges and canal banks. Small rowing kayaks took our wake in stride which is more than the ducks did.

There must be thousands upon thousands of ducks in the canals of Amsterdam.

Boats pass them dozens of times a day, but they learn nothing from experience. They simply ignored us, until they were up-ended ignominiously in our wake, or no and then swamped altogether.

Along the streets beside the canals and over the bridges armies of bicycles swoosh around corners at an alarming rate. Some are motor-assisted, but most are human-assisted, and they carry a weird assortment of cargo beside their operators — babies, baskets, flowers, a chair, a lawnmower, a ladder. There are, of course, plenty of cars on the streets too; they are parked in great rows on the sloping banks of the canals and every now and then there is a watery disaster, when someone's brakes give way.

Sightseeing on foot is a pleasure too, through quaint narrow old streets and broad new ones. One of the most fascinating sights one sees is the barrel organ.

The Dutch Barrel Organ is not the shabby little instrument of North America. It is a magnificent affair,

ornate with gilt curlicues, enamelled cupids and the inevitable flowers. It is higher than a man and almost as big as a horse-drawn coach. Puppets perform at its side windows, while Rock Around the Clock vies with Dutch folk music over its pipes.

Amsterdam is an excellent starting point for expeditions throughout the country. One of these might be to the Friday morning cheese auction at Alkmaar, where the porters wear brightly colored straw hats, baggy white pants and shirts. Other interesting spots are the town of Volendam, and the Isle of Marken, where the fisherfolk still wear the picturesque clothes of another day.

Amsterdam has its diamond factories, its tempting shops, its Van Gogh and Rembrandt. The Hague has its Frans Hals Museum, its lovely little Gallery, the Mauritshuis, and its miniature town Madurodam.

East and south of The Hague is the windmill country, a land of green

fields and winding canals. At one time, there were more than 9,000 windmills in the Netherlands. About 800 of them are left but now they are more esthetic than practical. Their task was taken over years ago by electric pumps.

Special Windmill Days (Saturdays during July and August) have been arranged in the windmill country around Kinderdijk, with conducted tours and visits to a couple of the mills.

For centuries, farmers sent messages by the windmill. Sails were set in different positions to announce the birth of a baby, a death in the family. Special decorations meant a celebration, and a blanket invitation to join in the fun.

(Communications have come a long way from windmills in the Netherlands these days, the first videophones are now being installed, enabling subscribers in Amsterdam and Rotterdam to see one another as they speak.)

HIP
HIP
HURRAH!!!!

THE
St. Albert
Gazette

The struggle of the Dutch to come the sea is almost incredible. For hundreds of years they built as a defense against it. But seven centuries since they turned passive resistance into active nation, they have added 1,500 acres to their country.

Their most spectacular project draining the Zuyder Zee, was in 1932 and is still not finished. Dutch began by building a 17-mile long to cut off the encroaching arm of the sea. Then, they cut out the water and drained the area protecting it with an intricate of dikes. So far they have about 175,000 acres of fertile hope eventually for a total of 1,500 acres.

And all that will be left of Zuyder Zee will be a freshwater to be used as a reservoir and a sort area.

Return jet fares, Toronto-Amsterdam first class, \$1,044.60; economy return propeller air fare, \$579. Flying time is approximately 7 1/2 by jet, 12 hours by propeller.

Rates at the new Amsterdam compare favorably with those of hotels in the Netherlands. Single they run approximately \$7.50-\$11.50; a double, \$11.50-\$15.00; a suite \$34.50. A third person share is an extra \$3.00. Children are A service charge of 15 per cent added.

ST. ALBERT CIVIC HOLIDAY

1962

THE LAST WISH OF THE CONDEMNED.

It seems that to read the St. Albert Gazette was the last wish of the victim of the hangmen atop the Gazette's float on Monday. We think it was a very fine last wish.

Air Cadets of # 533 Squadron, St. Albert, shown boarding the R.C.A.F. aircraft that will fly them to R.C.A.F. station Sea Island for two weeks summer camp. Left to right: LAC W. Hayduk, LAC R. Beland, LAC A. Warunkiw, Cpl. D. Williams and Cpl. D. Freeman.

FRIENDLY GAS SERVICE

WE POINT WITH PRIDE to our employees. Each one of them knows his job, and is anxious to serve you efficiently in a friendly way. A genuine interest in the customer's needs is the first rule of good service—and it's yours always with gas, your best household value.

**NORTHWESTERN UTILITIES,

ST. ALBERT AIRCADETS HAD WONDERFUL SUMMERCAMP AND SUMMER HOLIDAYS

Left to right: M. Keyes, Civilian Instructor, Mike Arnett of Berwyn, Dave Freeman, Leo Kinshella, Roger Beland, Wayne Hayduk, Al Warunkiw, Danny Williams, Dwight Heavener and Roy Hart, all of St. Albert, Members of No. 533 St. Albert Squadron, Royal Canadian Air Cadets, currently attending Air Cadet Summer Camp RCAF Station Vancouver B.C. 559 Cadets are in attendance from Saskatchewan, Alberta, and British Columbia. A busy program of drill, lectures on leadership, organized sports, swimming, tours including a trip to the World's Fair, rifle handling and firing, and flying in RCAF Service Aircraft round out two weeks of activities at the West Coast RCAF Station. All cadets from Saskatchewan and Alberta were airlifted to camp by Air Transport Command in the RCAF's new Hercules aircraft. 1600 Air Cadets from the three western provinces will have attended one of the three two week camps by the end of the summer. The cadets are looking forward to the Sunday trip to the Seattle World's Fair. Arrangements have been made for busses at economy rates -- a study of the grounds has been made to allow the cadets to see the greatest amount possible in the day. The St. Albert cadets have been hoarding their money to be sure of getting the most out of the trip.

Another, not yet published picture of the Parade during the Civic Holiday.
